Commissioner Wallis asked for clarification and confirmation, as he understands, that staff hasn't had the opportunity to speak with the City Attorney, as far as any needed adjustments to the ordinance, or if there are any unattended consequences, if adopted. Mr. Howard stated that was correct, and that the ordinance is being delivered to the city attorney. Mr. Wallis asked for clarification for voting procedures and if a super majority is needed to approve a motion, since the entire quorum is not in attendance. Mr. Howard stated that a simple majority vote is needed; however, if the commission voted to deny a P&Z item, the City Council then requires a super majority vote to approve the item. Mr. Wallis asked if the commission did not recommend adopting this ordinance, would it still go to council. Mr. Howard stated that it has the option of moving forward; however, with this being a staff item, if it did not have P&Z support, staff would not likely move forward with the item. Mr. Wallis stated that because the P&Z doesn't discuss the items in advance, he wanted to make sure the commission was prepared for whatever the outcome of the vote may be.
