REVISION TO ISSUED PLANS

Date: _____ Contractor: _____

Permit Number: _____ Contractor Representative: _____

Project Address: _____

Project Name: _____

Please describe all revisions included in the revised set of drawings. Indicate the sheet number(s) and detail number(s) for each revision as applicable. All revisions must be clouded and key-coded. Please note that any items which are not described will not be reviewed nor considered part of the changes. If desired, the changes may be submitted on a separate document but must be turned in as a part of this revision.
