

My Benbrook Mile Program Commitment Form

The City of Benbrook encourages individuals and groups to participate in the Adopt-a-Mile program. This program allows citizens the opportunity to contribute to a cleaner environment by getting together to clean up city roadways and park areas.

Participating groups self-monitor the road or park and plan clean-up events based on what works best for the group. Some groups plan monthly clean-ups, usually on Saturdays, or as the area dictates. The City reserves the right to modify or deny program commitments.

City can provide trash bags and latex gloves as requested. Reflective vests are encouraged.
