

## My Benbrook Mile Program Commitment Form

The City of Benbrook encourages individuals and groups to participate in the Adopt-a-Mile program. This program allows citizens the opportunity to contribute to a cleaner environment by getting together to clean up city roadways and park areas.

Participating groups self-monitor the road or park and plan clean-up events based on what works best for the group. Some groups plan monthly clean-ups, usually on Saturdays, or as the area dictates.

City can provide trash bags and latex gloves as requested. Reflective vests are encouraged.
